From Amsterdam and Paris to New York: pour over coffee and tea is completely hip among enthusiasts! Now you can also enjoy this popular, hand-brewed coffee and tea at home with the stainless steel Espressions "Gooseneck Pour Over Kettle". The Gooseneck is very easy to use and has a special gooseneck spout for extremely consistent pouring of water.

Designed and developed in the Netherlands, the Gooseneck Pour Over Kettle features an ergonomic, non-slip handle and hidden cable storage. The water boils in four minutes after which the Gooseneck switches off automatically, extra safe! The integrated thermometer accurately indicates the temperature of the water, so that, in addition to pour over coffee, you can also prepare green, white, black or oolong tea. Discover it for yourself and let all the aromas unfold.
