- TÜV-Süd/GS, protection class 2, CE
- dimensions: width 26.5 cm (folded 10.5 cm) height 21.0 cm depth 34.0 cm
- weight: 1.9 kg

Electrical food slicer orbis[7]

This foldable slicer made of easy-care plastic does offer simple and safe operation and reliable functions.

When opened, it stands skid-proof on the counter top. The patented, divisible carriage makes sure that the food slicer is always complete, even when folded.

The 2-finger switch-on system of the orbis[7] food slicer provides additional safety when slicing.

The orbis[7] is driven by a 65 W eco motor which is 20 % more economical and just the same 50 % more powerful.

When folded, the width of this slicer is only 10.5 cm.

A smooth ham- and sausage circular blade is available for every ritter food slicer.

Technical data are subject to change.
*The 2-year manufacturer's warranty applies to all devices sold within the European Union. Your legal warranty claims according to § 437 ff. BGB (German Civil Code) remain unaffected by this regulation. You can view the warranty conditions at https://www.ritterwerk.de/warranty
